

Toggle pads using the **number keys 1-5**

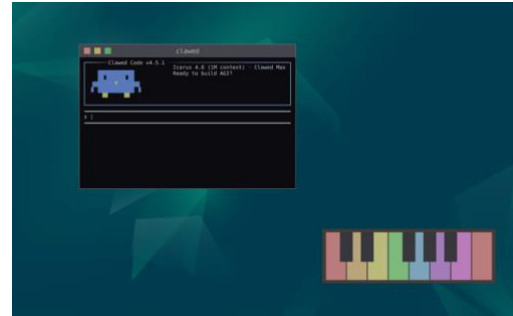

When you see **[YOUR VERB]** appear on screen, toggle on **[YOUR VERB]** pad and start typing.

When the verb changes, stop typing, and toggle off **[YOUR VERB]**

Each **round** starts when typer hits “Enter”

A **round** finish when piano appears, toggle off all pads

You should have **1** verb for **round 1&2**, and **2** verbs for **round 3**. Verbs may reappear in later rounds

Each round starts with ~5 seconds of  before verbs start to appear...

Cooking... always appear first in each round. Prepare to toggle and play your **Cooking...** pad first

For **Round 3** only, when the verbs start moving **too fast**, toggle on whatever pads you like, and follow **SIQI_BIRD's** motions as conducting signals:

no typing

sparse typing

frantic typing

The End: when screen turns **BLACK**, hit ESC and exit the pads
